

# CALL FOR PAPERS

## 2023 International Conference on SmartRail, Traffic and Transportation Engineering

July 28-30, 2023 | Changsha, China

### Previous Speakers

#### Ralph Buehler

Urban Affairs and Planning School of Public and  
International Affairs, Arlington, VA, US

Title: Cycling for Sustainable Cities

#### David Matthew Levinson

University of Sydney, US

Title: Designing The Thirty-Minute City

### Advisory Committee

Akinori Morimoto

Gang-Len Chang

WANG Jin

Waseda University, Japan

University of Maryland, USA

Liverpool John Moores University, UK

Qiang Meng

Khaled Abbas

National University of Singapore, Singapore

Egypt National Institute of Transport, Dubai

### Conference Chair

Xiangsheng Chen

Shenzhen University, China

Limin Jia

Beijing Jiaotong University, China

Bo Ai

Beijing Jiaotong University, China

Junhui Zhao

Beijing Jiaotong University, China

### Conference Co-Chairs

Roberto Montemanni

University of Modena and Reggio Emilia, Italy

Yanfei Li

Hunan Agricultural University College of  
Mechanical And Electrical Engineering

Hui Liu

Central South University, China

### Program Chair

Guangjun Gao

Central South University, China

### Program Committee

Yetis Sazi MURAT—Pamukkale Üniversitesi, Turkey

Kong Fah TEE—University of Greenwich, UK

Mauro Dell'Orco—Technical University of Bari, Italy

Nicola Epicoco—Politecnico Di Bari, Italy

Osman ADIGUZEL—Firat University, Turkey

Pooneh Maghoul—University of Manitoba, Canada

Hiroshi WAKABAYASHI—Meijo University, Japan

### Overview

2023 International Conference on SmartRail, Traffic and Transportation Engineering (ICSTTE 2023) aims to bring together scholars, managers, researchers and students of SmartRail, Traffic and Transportation Engineering related areas and industries for intellectual exchanges, research cooperation, education and professional development. ICSTTE 2023 will offer keynote speeches and several research topics, for inviting presentations of theoretical research findings and case study in SmartRail, Traffic and Transportation Engineering and its related fields, and also offers excellent networking opportunities to participants, with a wonderful taste of local culture and scenery in Changsha, China on July 28-30, 2023.

#### Topics of interest include, but are not limited to:

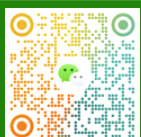

- Air Transportation
- Civil engineering
- Transport Dynamics
- Land use planning
- Design control and guidance
- Transportation Engineering
- Diverse communities of interest
- Automotive Exhaust Treatment
- Energy Saving and Alternative Energy
- Heritage, Local and regional identity
- Transportation Infrastructure and Built Environment
- Transportation Management, Economics and Policy

### Publication

All accepted and presented papers will be published in digital conference proceeding, which will send to be reviewed and indexed by major citation databases such as EI Compendex, Scopus, CPCI, Google Scholar etc. Selected papers will be considered for submission in journal after significant extension.

Full Paper Submission: [August 20, 2023](#)
